NIKOLETA PANTELIDOU

CURRICULUM VITAE

April 2026

Address	Universitat Autònoma de Barcelona Centre de Lingüística Teòrica (CLT) Department of Catalan Philology 08193 Bellaterra (Barcelona) Spain
Email	nikoleta.pantelidou@autonoma.cat
Website	clt.uab.cat/nikoleta-pantelidou/
ORCID	0009-0008-9565-5232

RESEARCH INTERESTS

Large Language Models, Computational Linguistics, Linguistics and Cognition, Natural Language Processing

CURRENT POSITION

2021-2025

Doctoral researcher, FPI fellow
4-year fellowship
Universitat Autònoma de Barcelona
Funding entity: Spanish Ministry of Science and Innovation/National Research Agency

EDUCATION

2025 - present

Universitat Autònoma de Barcelona
PhD in Cognitive Science and Language
Dissertation: *Exploring the linguistic abilities of Large Language Models (in progress)*
Supervisor: Evvelina Leivada

2024-2025

Universitat de Barcelona, Universitat Autònoma de Barcelona, Universitat Pompeu Fabra, Universitat de Girona & Universitat Rovira i Virgili
MA in Cognitive Science and Language
[qualification: Excellent]

2018-2022

University of Cyprus
BA in English Language and Literature

PUBLICATIONS

JOURNAL ARTICLES

Preprint Paolo Morosi, **Nikoleta Pantelidou**, Fritz Gunther, Elena Pagliarini, Evelina Leivada. Tracing the ongoing emergence of human-like reasoning in Large Language Models. *arXiv.*

Preprint Paolo Morosi,**Nikoleta Pantelidou**, Elena Pagliarini, Evelina Leivada. Interpreting conditionals: Cross-linguistic evidence for an asymmetry between perfected and biscuit readings. *PsyArxiv.*

To appear Evelina Leivada, Raquel Montero, Paolo Morosi, Natalia Moskvina, Tamara Serrano,**Nikoleta Pantelidou**, Marcel Aguilar, Fritz Gunther. Large Language Model probabilities cannot reliably distinguish between possible and impossible language. *PLoS One.*

2026 **Nikoleta Pantelidou**, Evelina Leivada, Raquel Montero, Paolo Morosi Community size rather than grammatical complexity better predicts Large Language Model accuracy in a novel Wug Test. *PLoS One* 21(3): e0343164.

GRANTS, AWARDS & FUNDED PROJECTS

2024- Project MESSI [Measuring Semantic Similarity in Humans and Large Language Models]
Funding entity: Spanish Ministry of Science and Innovation/National Research Agency
Project reference: PID2024-157681NI-I00
Amount: 120,811 EUR
PI: Evelina Leivada & Fritz Günther
Role in the project: Doctoral researcher, core research team

KEYNOTES, INVITED TALKS &SEMINARS

2026 Nikoleta Pantelidou **The gradual emergence of the grammatical inventories of Large Language Models (LLMs).** Seminar at the *Cyprus Acquisition Team (CatLab)*, University of Cyprus, Online, 4, November.

2026 Nikoleta Pantelidou **Evaluating the cross-linguistic accuracy of Large Language Models in a novel Wug Test.** Seminar at the *Centre de Lingüística Teòrica (CLT)*, Universitat Autònoma de Barcelona, Bellaterra, Spain, 9 January.

CONFERENCE/WORKSHOP PRESENTATIONS (PEER-REVIEWED)

2026 Nikoleta Pantelidou, Evelina Leivada, Raquel Montero, Paolo Morosi. **Crosslinguistic Perspectives on Morphological Generalization in Large Language Models [Poster Presentation].** *Crosslinguistic Perspectives on Processing and Learning 2026 (X-PPL)*, Universite De Pau Et Des Pays De L'adour, Bayonne, France, 20-22 September.

2026 Nikoleta Pantelidou, Evelina Leivada, Raquel Montero, Paolo Morosi. **From Multilingual Humans to Multilingual Models: Testing morphological generalization trough a novel wug test.** *Language qua Variety, Minority, and Heritage: Theoretical & Empirical Approaches to Non-Standard Grammatical Systems (LVMH)*, University of Cyprus, Limassol, Cyprus, 20-22 March.

PARTICIPATION IN RESEARCH LABS

Centre de Lingüística Teòrica/Center for Theoretical Linguistics (CLT)
[2026-]

LANGUAGES

Greek (native)
English (fluent)
Spanish (fluent)
Catalan (intermediate)
